Mr Joseph Lafferty
40 Dunstan Street
Curtin ACT 2605

Dear Joe

I am writing to inform you that the board made a unanimous decision at its meeting on 26 July 2007 that it would not approve an application from you to renew your membership of PhotoAccess.

You have persistently acted against the best interests of the association.

The board and the members have spent a great deal of time listening to your grievances over a long period. After carefully considering and then rejecting your point of view, we requested your assurance that you would respect the views of the board and the members, and the PhotoAccess Constitution and Code of Conduct. We have not received satisfactory assurances from you and your recent reiteration of previous claims suggests that you have no intention of accepting the views of the board and the members.

In these circumstances it is the opinion of the board that it is not in the best interests of PhotoAccess for you to remain a member.

Yours sincerely

Denise Ferris
Chairperson
